Artwork Guide

Finished Size - 58mm

- Circle A - 53mm** The maximum recommended design size that will be visible on the badge
- Circle B - 70mm** The background colour must extend to this as this will be visible around the edge of the badge.
- Circle C - 85mm** Is our cutting guide and **must** be included if providing printed artwork.

If you require a photograph making into a badge remember we will need to cut a 70mm circle.

Available as tin badges, key rings, mirrors and fridge magnets.
