# Digistamps

Digistamps are a pre inked stamp available in black, blue and red. They print at 600dpi so unlike conventional stamps they can be used for grey scale images not just lineart. They produce a crisp clear image and will last for approx 10,000 impressions. Refillable.

Ask to see brochure with full range of styles, borders, clip art and fonts available to Digistamps

Digistamp	Black	Blue	Red	Price
12mm X 12mm	DS1212BK	DS1212BE	DS1212RD	£9.99
